## THE MAY MEMORIAL CHURCH.

This beautiful church, erected to the memory of Rev. Samuel J. May by the Unitarian Congregational church of Syracuse, was dedicated with appropriate and impressive ceremonies on the afternoon and evening of Oct. 20, 1885.

The church is located on James Street, one of the principal streets of the city, is built of rock dressed gray limestone, with fine dressed trimmings and black slated

roofs.

The pews are constructed with cherry, in a crescent form, the floor descending toward the pulpit thirty inches. The rental capacity is four hundred and fifty sittings, with ample accommodation for five hundred.

On each side of the pulpit are large fire-places and mantels, with fire grates and large flues to assist ventilation.

In the rear of the auditorium, with the floor on a level with the pulpit platform, are the Sunday-school and class-rooms, which

will accommodate one hundred and fifty pupils, over which are the parlor, kitchen, and other needed conveniences for social gatherings. The cost of the church structure was \$35,000, the lot, organ, and other furnishings costing \$13,000,—all of which is paid and the society free from debt.

Say he said

## DR. STEPHEN TRUMBULL.

---

A cablegram from Callao received on Thursday by John Prain Esq., the agent of the P. S. N. Co., brought the painful announcement to the family of the decease of Dr. Stephen Trumbull of this city, on board of the S. S. *Serena* en route from Panamá to Callao. More than this fact, and that the burial took place at sea, is not yet known.

Dr. Stephen was born in Valparaiso in 1858. He was educated here in the school formerly taught by Messrs. Mackay and Sutherland until 1874, when he went to the United States and prepared for college, first at Stamford, later on at New Haven, Connecticut, where he graduated from the Yale University in a class of 121 members, in 1880. He then proceeded to Boston entering the Harvard Medical School, whence he received his diploma of M. D. in 1884, having in the interval revisited Valparaiso and spent a year at home.

After graduation he took service as resident physician in the Rhode Island Hospital, Providence, and continued there eighteen months, the regular term of service. This being closed the 1st of March, he planned to attend extra lectures in New York, and to return home in July; but being anxious about the health of his parents, he considered it to be his duty rather to come out without further delay, and accordingly left New York April 20th for Panamá en route for Valparaiso. This filial purpose he was not permitted to fulfil, and they who would have welcomed him have only to mourn his loss and recall his genial and intelligent and affectionate traits of character.

It is an honor to be allowed  
to speak near this tomb: it  
contains remains of a man  
who for ages of 14 made his  
own way; who settled and  
married and trained up a  
family in the Lord, instilling the  
Gospel in his mind, showing to  
them a living penitential faith.  
And now his partner who  
came unflinchingly to the  
Gospel and had it as her

to her feet as the shadow of

long clos<sup>d</sup> like the sun imper-

occas. for mourning, and  
no reason for saying the Deceas<sup>d</sup>,  
the I hath taken away and  
blessed be the Name of the Lord.  
Such a life <sup>afford</sup> ~~is~~ an example,

**El oratorio de Colmo.**—Sobre la inauguracion del oratorio de Colmo que anunciamos el 25 en esta misma seccion del diario, hemos recibido de un amigo nuestro las siguientes líneas escritas en la propia hacienda del señor Vicuña Mackenna:

«La ceremonia de inauguracion del oratorio tuvo lugar, en efecto, ayer. Se dijeron tres misas por el señor Casanova y dos presbiteros que lo acompañaban. Conmóvedor, tierno por demas fué ver a catorce niños de ambos sexos y que pertenecen a la escuela «Benjamin Vicuña Mackenna, núm. 11,» hacer su primera comunión y cantar en seguida con voz dulce y cadenciosa una plegaria, que a todos hizo derramar lágrimas y cuya letra, según nuestros apuntes tomados al vuelo, fué poco mas o menos:

¡Salve Virgen amorosa,  
Estrella y guía del mar,  
Ven nuestra pena a calmar  
Con tu influencia poderosa!

Ven a calmar nuestra pena,  
Diciéndonos que a tu lado  
Con amor has colocado  
Al gran Vicuña Mackenna.

¡Salve, Virgen del amor,  
Nuestra plegaria escuchad  
Y del Eterno alcanzad  
Para nosotros perdon!

Shocks have been experienced throughout the entire country.

**ALEXANDRIA 28th.**—Violent shocks of earthquake have been felt here.

**CHARLESTON 28th.**—Another shock of earthquake occurred here this morning.

CHARLESTON (S. C.) 4th.—At a minute to eleven last night another terrific shock of earthquake passed through the city.

The people are camping in the public squares, and continue singing and praying.

SCRANTON, PA., 4th.—A distinct shock of earthquake was felt last night.

AUGUSTA 4th.—The shock last night upset everything, and all feel nervous.

SAVANNAH 4th.—Since last night slight vibrations have been felt at ten minute intervals.

Mrs. Kelly Cheyne Esq.<sup>r</sup>  
at Oxford, Lecturer

Monday Nov. 1<sup>st</sup>. 1886.

I thank the Lord for health and life  
to day & till to day. Reflections

1. Have I ever prospered in en-  
tire and faultless obed<sup>ce</sup> to God:  
to keep my Law?

2. Lord I displace

- my former sins

- and presumptions - since

in which have failed to realize  
my relation to God as sinners.

O, blot out my offences to  
Thy own blood! and heal my  
soul thro' the stripes he bore!

3. I now surrender to Thee and  
will keep Thy commandments

1. in abstaining from evil

2. And in seeking to bring others to  
be holy and to repent.
